	helps faculties to stay updated with the latest pedagogical techniques, research trends, and technology advancements. It could be a workshop, seminar, webinar, outline course, mentoring, or other forms of professional development activities.		
Workshop for Student	To instill time management, study skills, and goal setting, as well as promote stress management among students for improved academic performance and overall well-being, a workshop would be organized. The workshop would be designed to be interactive, incorporating group discussions, role-playing exercises, and hands-on learning experiences to engage students and encourage active participation. The content of the workshop would not be related to any specific subject, in order to avoid monotony. A feedback session would be conducted at the end of the workshop to evaluate its effectiveness and gather suggestions for improvement. Taking into consideration the suggestions received from attendees, it has been decided to conduct a workshop on Social Media Awareness.	From 15 th to 17 th Feb, 2022 A workshop of three days on Cyber Security and Crime was organized with the objective of inculcating time management, teaching stress management techniques to students for overall well-being. It was made interactive through group discussions, role-playing exercises, and hands-on learning experiences to engage students and encourage active participation.	IQAC Coordinator & Staff
